Deposits for an animal already on the ground will be half of the price of the goat to reserve the animal of your choice. An e-mailed receipt of that deposit will not only secure the reservation of the animal chosen, but also acts as implied consent on your behalf to comply with these terms. If your deposit is to be mailed, please inform us of when it is sent. **{NOTE: to have a buck wethered (castrated) you must pay in full first; wethering a buck will not be done if only a deposit has been made.}**
- 2. PAYMENT:** Payment must be in Guaranteed Funds: cash, money order, etc. If you use a personal check, the animal must stay at our farm until the check clears. An animal is not reserved until half the amount due is paid for, and is not bought until paid in full. We also accept PayPal and VenMo. Please contact us before submitting payment electronically to confirm.
- 3. BALANCE/PICKUP:** If you have not paid in full before picking up the animal, then the remainder of the money that is owed is due at time of pick up. Cash only please! **{NOTE: If the balance is not received by the date we have set for pickup, the animals will be offered to the next interested party and deposit will be forfeited. If animals are not picked up the weekend after the date they are old enough to leave, or upon the agreed upon date by the buyer and seller, a boarding fee of \$5/day starts accruing will be applied after that time. Any and all outstanding balances must be satisfied prior to the animal leaving the farm. If the goat is not picked up by the agreed time on the agreed upon date, the animal will be re-listed for sale without refund. Please be advised that there will be no refunds on canceled orders.}**

- 5. ALL SALES ARE FINAL!** All animals will be healthy upon leaving our farm, to the best of our knowledge. We cannot be responsible for an animal once it leaves our farm.
